

LOT 2660

After Carl Kauba - Indian Chief on Horseback, a 20th century brown patinated cast bronze equestrian figure of a Native American chief upon his mount, the rocky base bearing signature, raised on a green marble plinth, height 62cm, width 53cm.

Estimate: £400 - £600

Condition Report

2660. The general surface is quite good with some light surface dirt, minimal wear and a few small surface dinks. Originally the feather headdress would have had applied trailings on the ends of the feathers and these have been lost apart from on which is still there.
