LOT 2834

A. Lefèvre - a large early 20th century French painted fabric panel depicting two recumbent figures and attendant cherubs within a classical landscape, 130cm x 202cm.

Estimate: £600 - £900

Condition Report

2834. There is a definite overall fading to the panel, with all colours being quite muted. There are some water marks along the bottom edge where moisture has crept up the edge of the fabric and an area of darker staining to right-hand lower corner. There is quite a lot of debris between the glass and the fabric, but does not appear to be affecting the condition.
