Condition Report

96. Relined, cleaned and restored. Restorations include filling and overpainting. UV examination highlights areas throughout, including a line to the left-hand side presumably attending to a stretcher mark., the tree stump in the bottom left corner, along the bank of the river and to the sky. These are not all instantly apparent with the naked eye. There is some minor surface dirt and the picture is quite dark overall. The frame has some loss of composition and other scuffs to extremities.
