LOT 89

Alfred Montague - River Scene with Figures in Boats, oil on canvas, indistinctly signed and dated 1854, 44cm x 74cm, within a gilt composition frame with foliate scroll crestings.

Estimate: £500 - £800

Condition Report

89. Paint thin in areas from previous cleans. Considerable crude overpainting, particularly around the boat on the left hand side, obviously repairing areas of paint flaking. This overpainting is quite extensive and visible by the naked eye. Some minor paint loss around the mount edge. Minor craquelure throughout. Old varnish has discoloured and yellowed considerably, possibly nicotine staining too. Frame ok, but with some loss of composition, mostly to the cresting tendrils.
