J. Petermann - an early 20th century Belgian green/brown patinated bronze relief plaque depicting a head and shoulders profile portrait of a goddess, bearing cast signature 'J. Petermann Bruxelles', 54cm x 37cm, within an oak wide section frame.

Estimate: £500 - £800

Condition Report

2560. The general patina and colour of the bronze is good, however there are two surface scuffs to her temple and cheek bone areas, as well as a few spots of surface dirt to the top left area of the panel. Some areas of light surface wear to frame and just a few other very minor surface scuffs.
