

Collectors' Items, Works of Art and Light Fittings / Thursday, 1st October 2020 / Lot 2710

### LOT 2710

A late Victorian white painted cast metal hexagonal conservatory heater casing of pierced form, the interior later fitted with an electrical light fitting, height 85cm.

Estimate: £30 - £50

---

### Condition Report

2710. The light fitting is very crudely attached to a piece of cardboard in the base of the lamp, so it would need to be professionally re-wired. The lid has a hairline crack through it.
