

Collectors' Items, Works of Art and Light Fittings / Thursday, 1st October 2020 / Lot 2645

### LOT 2645

A late 19th century brass cased National counter-top cash register, the case bearing serial number '721085 346', height 43cm, width 43cm.

Estimate: £100 - £150

---

### Condition Report

2645. The black glass panel above the drawer has a small chip to the left edge and there is some light surface wear, but generally in fairly good condition. No keys. Buttons and drawer seem to be operating properly.
