

Collectors' Items, Works of Art and Light Fittings / Thursday, 1st October 2020 / Lot 2644

LOT 2644

A 19th century copper log bin of studded construction, later fitted with lion's mask ring handles and brass claw feet, height 46cm, diameter 53cm, together with a small copper measure.

Estimate: £60 - £100

Condition Report

2644. Fairly typical overall dents and bumps. Some overall dents, wear and repairs to bottom, including an area of solder and four drill holes. The brass mounts were probably added in the early 20th century.
