## Condition Report

2017. While the overall appearance and condition is reasonable, there are numerous minor faults throughout the piece. The arched top is warped backwards towards the top. Small but numerous pieces of ebony banding missing to pediment and throughout. Some loose pieces of astragal moulding to right-hand door. Damage and repair to both front corners of base. Fairly thin splits to right-hand side of chest and numerous repairs to veneer and banding around drawers. Detached section of one front foot.
