

Furniture / Thursday, 1st October 2020 / Lot 2069

### LOT 2069

A late Victorian walnut showframe chaise-longue, on turned legs, height 77cm, length 185cm, depth 57cm (faults).

Estimate: £40 - £60

---

### Condition Report

2069. The fabric is quite stained and the upholstery is quite worn. The back panel is a bit loose and the frame as a whole is a little scuffed and marked. Otherwise the frame is quite sturdy and the legs are intact. Originally would have had castors, which are now lacking.
