LOT 2221

A Victorian and later figured mahogany twin-pedestal desk, the moulded top above three drawers and two cupboards, each enclosing three further drawers, height 75.5cm, width 130cm, depth 84cm.

Estimate: £70 - £100

Condition Report

2221. Some overall minor surface scuffs and marks, with a few small pieces of veneer chipped off, as well as some surface wear around knee-hole. Slightly loose leatherette to corners. The figured mahogany panels are good quality and appear Victorian period, but actually the desk was probably made in the early part of the 20th century in a Victorian style.
