LOT 2692

An early 20th century American Neoclassical Revival gilt metal and pink stained glass table lamp, the octagonal shade above a square section stem ornamented with ram's masks and bellflowers, the shaped circular base cast with bands of leaves, height 65cm, width 47cm (some cracks to glass).

Estimate: £200 - £300

Condition Report

2692. Three of the glass side panels are cracked, otherwise the glass is just in need of a clean. The metalwork is a bit dirty, but just needs a clean. There is one pull chain broken and missing and the base has drill hole for the electric wire.
