

Clocks and Barometers / Thu, 15th October 2020 / Lot 1163

### LOT 1163

A George III mahogany wheel barometer with hygrometer, alcohol thermometer and silvered dials, inscribed 'Martin, London', the case with broken arch pediment above inlaid chequer banding and shell paterae, height 98cm (some faults).

Estimate: £50 - £80

---

### Condition Report

1163. Most of the condition issues can be seen in the online images, including the minor stringing loss to the bottom and the damage to the pediment. Also some minor lifting to veneer on sides, but nothing of any real significance.
