

Jewellery / Wed, 21st October 2020 / Lot 576

LOT 576

A single row necklace of garnet beads, spaced with pairs of cultured pearls at intervals, length 83cm.

Estimate: £50 - £70

Condition Report

576. The necklace is of modern manufacture. There are no marks to the yellow coloured metal spacing beads, which are offered as gold plated. The cultured pearls have an attractive silvery lustre. The necklace is integral, there is no clasp. There are a few blemishes to the surfaces of the cultured pearls and one or two shallow dents to the larger yellow coloured metal spacing beads. The garnet beads have a few surface reaching natural inclusions. Diameter of each garnet bead approx. – 7mm.
