LOT 703

A gold, amethyst, half-pearl and red gem set brooch, mounted with an oval cut amethyst in a surround of half-pearls within a red gem set border, width 3cm (one red gem lacking).

Estimate: £50 - £70

Condition Report

703. Generally good condition, if a little bit tired. One of the red gems is missing, a few have chips and typical surface scratches, wear and abrasions. Amethyst in good order, but there is a line inclusion through the middle of the stone visible to naked eye. It would benefit from a clean. Safety chain loop soldered at later date than manufacture.
