### Condition Report

173. 'Cox' - Light spotting throughout, quite pale but widespread. Colours are a little muted, but generally ok. Mount and backing are not archival. Frame slightly shaken at joins. Unexamined out of frame.

'Varley' - Light age toning to paper and appears a little faded with muted colours. A few miniscule spots of detritus or foxing. Mount and backing are not archival. Frame rubbed to extremities and with minor scuffs, also a little loose at joins.
