

LOT 2663

A group of four walking canes, including a 19th century Malacca walking cane with Burmese engraved white metal pommel, length 89cm, a George V ebonized stick with silver pommel, Birmingham 1915, and another cane with boxwood handle.

Estimate: £80 - £120

Condition Report

2663. The cane with the large white metal pommel has some minor surface wear and the metal plaque is worn and loose to one corner.

The other silver handled cane has some overall small but numerous dents to the handle.

The boxwood handled cane has wear and tears to its silver collar.

The other cane which has an enamelled coin inset to the handle has some wear and slight loss to the enamelling.
