LOT 2047

A late 19th/early 20th century Indian painted and turned wooden wedding chair with woven strap seat, height 89cm, width 62cm, depth 57cm (faults).

Estimate: £30 - £50

Condition Report

2047. The chair is structurally sound, but has some overall slight loss to the painted surface. One of the covers on the handrests is missing and there are some chips to some of the spindles.
