LOT 2092

A Victorian nursing chair, the seat and back covered in a period woolwork, on turned legs and castors, height 90cm, width 50cm, together with a carved oak spinning chair, height 87cm, width 30cm.

Estimate: £30 - £50

Condition Report

2092. The Victorian chair has minor surface wear and scuffs to the legs and has a very slight wobble, probably due to slight height difference in castors. There is some wear, slight loss of wool and stains to the seat, as well as some slight loss to the back.
