LOT 2042

A mid-Victorian figured mahogany tip-top breakfast table, the radially-veneered top above a tapering octagonal stem and a wide circular base issuing carved claw feet, height 72cm, diameter 128cm.

Estimate: £80 - £120

Condition Report

2042. The top has a flat and relatively sound overall veneer with typical scuffs and marks. The stem has a considerable crack running vertically on one side. One of the feet has substantial woodworm deterioration and some woodworm to the edge of the base.
