LOT 2585

A 19th century brown patinated cast bronze inkstand, the central stop fluted inkwell with hinged lid, the rectangular base cornered with acanthus leaves, width 25cm.

Estimate: £60 - £90

Condition Report

2585. Generally the condition is good overall with very slight and typical surface wear to high points, as well as a few very minor surface scratches to lid. With a light clean it would come up nicely.
