LOT 2195

A set of six mid-20th century Danish teak dining chairs, designed by Johannes Andersen for Uldum Mobelfabrik, height 79cm, width 48cm.

Estimate: £200 - £300

Condition Report

2195. All the chairs are structurally sound, with no wobbles, repairs or cracks. Just some light surface scuffs and a few stains. The seat upholstery is probably the original foam and could do with replacing, but is still intact.
