

Collectors' Items, Works of Art and Light Fittings / Thu, 5th November 2020 / Lot 2753

LOT 2753

A late Victorian serpentine doorstop of ovoid form, probably Cornish, fitted with a brass ring handle, height 25cm, together with a serpentine vase, height 10cm.

Estimate: £100 - £200

Condition Report

2753. Doorstop - striation in the stone, possibly due to an internal fracture, but otherwise just a few spots of surface paint and a few surface scuffs.

Vase- minor surface scratches, otherwise ok.
