

British and Continental Ceramics / Thu, 19th November 2020 / Lot 1651

### LOT 1651

A Sewell & Donkin pearlware oval basket and stand, 1828-52, the basket with lattice work sides above a basketweave moulded base, the stand with lattice work rim, both with green enamelled detail, impressed marks, length of stand 31.5cm.

Estimate: £40 - £60

---

### Condition Report

In good condition overall with no cracks, chips or restoration.

There is typical crazing to the glaze overall and the stand has some minor flaking to the green enamel detail.
