LOT 1740

A St Louis glass fruit paperweight, circa 1850, with an arrangement of apples, pears and cherries amongst leaves on a white latticino ground, diameter approx 6.5cm.

Estimate: £400 - £600

Condition Report

Good high dome. The latticino does not site quite centrally which may suggest some re-polishing to one side, or just a manufacturing issue. The footrim is a little thinner in one spot which does suggest a small spot of repolishing. A number of bubbles amidst lampwork.
