LOT 1433

A Bretby pottery jardinière stand, 1890s, relief decorated with a fish entwined around the base of a slender column, glazed in green shaded to brown and yellow, impressed marks with shape No. 1190, height 71cm.

Estimate: £40 - £60

Condition Report

Typical overall fine crazing to the glaze. There are no cracks, chips or restoration but there are some minor spots of glaze loss/flaking, e.g., amidst the moulded detail around the base and one more noticeable spot a third of the way up the column amidst the brown/yellow ground - Please see the extra images on our website using the zoom function where this is noticeable in the second image.
