LOT 1745

A Baccarat glass close packed millefiori mushroom paperweight, circa 1850, the central tuft above a white gauze torsade with blue spiral beneath a mercurial band, star-cut base, diameter approx 6.5cm.

Estimate: £500 - £700

Condition Report

The footrim is an uneven shape which would suggest some polishing - there is a teeny tiny nick in this area too which may be the remains of any damage. The dome sits fairly high but there are no scratches or marks over it which would suggest overall re-polishing.
