LOT 1797

A faceted stem glass, late 18th century, the ovoid bowl with facet cut decoration raised on a diamond faceted stem and conical foot, height 11.4cm, together with five further wine glasses, including a multi-series airtwist stem example (minor faults).

Estimate: £60 - £100

Condition Report

Facet cut stem and bowl - a couple of tiny and indistinct nicks to facets of stem, foot of uneven shape (glass does not sit flat).

Opaque twist stem - bowl badly cracked and chipped.

Multi series airtwist - minute nick and a couple of tiny digs to rim edge of bowl, significant very bad flaw to centre of stem - possibly a repair - foot heavily and badly reduced.

Corkscrew airtwist - a few digs and scratches to bowl, no real wear to foot.

Wrythen moulded - chip to edge of foot.

Floral engraved - foot probably slightly reduced.
