

British and Continental Ceramics / Thu, 19th November 2020 / Lot 1591

LOT 1591

A very large and extensive collection of Royal Worcester Evesham pattern decorative and tablewares, including tureens and covers in various sizes, graduated dishes, storage jars and covers, plates in various sizes, platters and serving wares, sauceboats, tea and coffee services and a clock.

Estimate: £100 - £200

Condition Report

The service is too extensive for us to complete a full condition report on.

It is generally in good order with no major damage. Some of the pieces, primarily the larger serving platters and dishes, do have some wear to the gilding. There are typical knife cuts/surface scratches.
