### LOT 1361

An Adrian Brough studio pottery two handled vase, dated 2003, decorated with a fish, painted initials to side of base, height 30cm, together with two further pieces of Adrian Brough studio pottery.

Estimate: £120 - £160

### Condition Report

There are a few minor flat nicks to the outer edges of the base of the two handled vase, which I would suggest are a manufacturing issue rather than damage. Otherwise all three pieces in the lot are in good condition overall with no cracks, chips or restoration.
