

Jewellery / Wed, 25th November 2020 / Lot 507

LOT 507

A 9ct white gold plain wedding ring, weight 5.2g, ring size approx Q1/2, two pairs of cultured pearl earstuds, two further pairs of earstuds and a group of mostly silver jewellery, comprising two rings, a bangle, a marcasite heart shaped pendant, a brooch and a pair of earrings, total silver weight 28.3g.

Estimate: £100 - £150

Condition Report

507. White gold ring - some scratching and wear to exterior, would benefit from re-plating.

Gold bead earstuds - a near pair.

Remaining items in the lot are generally in good condition, some pieces would benefit from cleaning.
