LOT 515

An 18ct white gold, jade and diamond ring, claw set with an oval cabochon jade within a surround of circular cut diamonds, detailed '18K' and '750', total weight 7.9g, ring size approx T1/2, with a case.

Estimate: £1,500 - £1,800

Condition Report

515. The jade is of medium to pale colour saturation, claws perhaps tightened in the past, the diamonds slightly draw colour but look to be fairly clear stones, some distortion to the underside of the ring where it has been in contact with other rings whilst being worn.
