LOT 532

A platinum, aquamarine and diamond ring, claw set with an oval cut aquamarine between diamond set three stone shoulders, detailed 'Pt 900', ring size approx J, weight 12.4g, aquamarine weight approx 11.48ct, total diamond weight approx 0.41ct.

Estimate: £1,800 - £2,400

Condition Report

532. The aquamarine is of medium colour saturation and looks to be an attractive fairly clear stone, there a tiny edge nick to the aquamarine which has been largely polished out, the shoulder diamonds have one or two tiny internal inclusions but are generally attractive white stones, the ring is otherwise in good condition as new.
