Condition Report

565. The diamond has an internal inclusion near to the edge but otherwise looks to be fairly clear stone, the diamond slightly draws colour, there is wear to the sides of the ring, but the hallmark is still clear and readable. Due to the gypsy setting is slightly more difficult to measure the diamond size exactly, diamond weight approx. 0.45ct \blacklozenge 0.50ct. We have not had the diamond professionally graded.
