

Jewellery / Wed, 25th November 2020 / Lot 582

### LOT 582

A white gold and diamond ring in a pierced and twist design, mounted with rows of circular cut diamonds, detailed '585', weight 4.1g.

Estimate: £100 - £150

---

### Condition Report

582. Back of ring seems to be significantly pushed inwards, the ring in current form requires re-shanking, in its current form the ring size is approx. D1/2, diamonds look to be fairly clear white stones, white gold finish is down to yellow at the back of the shank.
