

Jewellery / Wed, 25th November 2020 / Lot 583

LOT 583

A gold, diamond and enamelled brooch, formed as a series of flowerhead shaped clusters, mounted with circular cut diamonds, otherwise with pale and dark blue enamelled decoration, weight 6.5g, width 2.5cm.

Estimate: £300 - £400

Condition Report

583. The enamel is in good condition, the diamonds slightly draw colour but look to be fairly clear stones, overall good condition.
