LOT 604

A 14ct gold ring in a woven design, detailed '14K', weight 4.3g, ring size approx O1/2, and a 9ct gold ring in a twin loop openwork design, weight 3g, ring size approx N1/2.

Estimate: £120 - £180

Condition Report

604. The hallmark of the second ring is struck near to the edge of the shank, it is a bit worn and lacks definition. Otherwise both rings are in generally good condition.
