

Jewellery / Wed, 25th November 2020 / Lot 723

### LOT 723

A faceted rock crystal lozenge shaped brooch, width 4.5cm, a Victorian silver mounted vari-coloured agate brooch, probably Scottish, diameter 3.2cm, seven further agate and other brooches, a quantity of elephant hair jewellery and further items.

Estimate: £80 - £120

### Condition Report

723. Rock crystal brooch ♦♦ rock crystal good condition, the setting is base metal.

Agate vari-coloured brooch ♦♦ pin lacking, all agates are present.

Seven further brooches - all have pins, the settings are base metal, all in generally good condition.

Elephant hair bangle with gold clasp - marked 9ct, looks a little uneven but is probably as made.

Quatrefoil agate shaped panel ♦♦ good condition.

Four ridged green agate panels ♦♦ two have damage by drill holes, the other two are better but some variation of shape.
