LOT 640

A single row necklace of fifty-five graduated cylindrical vari-coloured mottled butterscotch coloured semi-translucent and opaque amber beads with a composition screw clasp, total weight 38.3g, total length 72cm, length of largest bead 1.5cm, length of smallest bead 7mm, together with a ring with engraved decoration, mounted with an oval amber, ring size approx U, length of oval amber 2.3cm.

Estimate: £80 - £120

Condition Report

Necklace - note screw clasp is not amber. Ambers have a uniform polish, we would suggest these are not of any significant age. A darkening to the ends of some beads which may be artificially induced. The appearance of the beads may be artificially enhanced.

Ring - mount is new, there is amber coloured glue around the edge of the oval amber and the amber itself has a surface crack and old chip.
