

Jewellery / Wed, 25th November 2020 / Lot 684

LOT 684

A gold and citrine necklace, the front claw set with a row of nine oval cut citrines, on a multiple link neckchain with a boltring clasp, weight 17.4g, length 38.5cm.

Estimate: £300 - £400

Condition Report

The principal citrine has a richer colour saturation than the other eight stones. The settings match, the stone may be a replacement. The neck chain is in good condition.
