

Jewellery / Wed, 25th November 2020 / Lot 698

LOT 698

A gold, turquoise and colourless gem set pendant in a hexagonal openwork design with a flowerhead at the centre, weight 9.4g, length 4cm.

Estimate: £200 - £250

Condition Report

The lowest colourless gem set flowerhead is bent over to one side and needs straightening, otherwise unmarked. Test mark to suspension loop would indicate high grade gold. Possibly Indian made in an Edwardian European inspired design.
