

Jewellery / Wed, 25th November 2020 / Lot 702

LOT 702

A platinum fronted, gold and diamond bar brooch, the centre with a principal circular cut diamond within a surround of eight circular cut diamonds, weight 5g, width 5.7cm.

Estimate: £400 - £600

Condition Report

Principal diamond has a black pique inclusion near to the edge, also one or two further pique and gletz inclusions. The surrounding diamonds look to be more clear, pale brown surface deposit on one diamond. Brooch unmarked. One or two scratched code marks to the back of the bar. Would benefit from professional cleaning. Diameter of cluster 1.1cm.
