

Jewellery / Wed, 25th November 2020 / Lot 717

LOT 717

A gold ring, collet set with an oval cut citrine, weight 3.6g, ring size approx 11/2, and a 9ct gold and pale blue synthetic gem set solitaire ring, London 1972, weight 5.5g, ring size approx K.

Estimate: £80 - £120

Condition Report

Citrine - generally rather rubbed, particularly to table facet edges. Marked indistinctly '18ct'.

Pale blue gem ring - one or two nicks to the table facet edges and to the rim, otherwise in good condition.
