LOT 718

An 18ct gold, cultured pearl and imitation turquoise brooch, designed as a floral spray, import mark London 1971, weight 7.3g, width 4.5cm, and a single row necklace of graduated cultured pearls on an oval clasp, detailed 'Sterling', length 48cm.

Estimate: £200 - £250

Condition Report

Brooch - some evidence of glue to the two pearl flowerhead clusters, otherwise in good condition.

Necklace - irregularity of shape and lustre of the pearls, would benefit from re-stringing, otherwise ok.
