LOT 722

A Georgian gold and silver set, rose cut diamond and foil backed garnet ring, weight 1.6g, ring size approx J.

Estimate: £150 - £250

Condition Report

Garnet in good condition generally apart from a bit of wear to the high point at the bottom tip, rose cut diamonds with slight variation of cut and colour. Central rose diamond has a chip.

The join of the top setting of the garnet corresponding with the underside is not well made on one side of the ring.

Some minor staining to underside of bezel. Apparently unmarked.

Otherwise in good condition.

The ring is in a Georgian inspired design.
