LOT 727

A Victorian gold ring, mounted with a central pink sapphire within a surround of half-pearls between half-pearl set shoulders, weight 1.5g, ring size approx P (two half-pearls lacking).

Estimate: £60 - £90

Condition Report

Pink sapphire looks to be a replacement gemstone. Some of the surrounding claws are worn down.

Some of the remaining six pearls have surface blemishes (two half pearls missing).

Glazed locket compartment to back of ring missing glazing.

Overall rather tarnished. Unmarked. Would benefit from cleaning.
