

Jewellery / Wed, 25th November 2020 / Lot 746

LOT 746

An Edwardian 18ct gold and opal five stone ring, mounted with a row of graduated oval opals, Chester 1908, weight 4g, ring size approx Q.

Estimate: £120 - £160

Condition Report

Centre opal chipped at one end. 4 of the opals have uniform surface wear, the fifth small opal at one end has no signs of wear and is slightly raised above the other opals - this is a replacement. The claws are beginning to show signs of wear. Hallmark clear. Shank a little thin at the back.
