LOT 1176

A pair of Chinese brown patinated bronze bottle vases, late Qing dynasty, each globular body cast with foliate bands beneath a cylindrical narrow neck with cast lappet panels, height 25cm.

Estimate: £150 - £250

Condition Report

Generally in good condition, typical light surface scratches and wear but no significant damage or repair. Please note one neck leans ever so slightly to one side but this isn't particularly significant.
