LOT 1056

A group of five Japanese cast brown patinated bronze masks, Meiji/Taisho period, each modelled in relief depicting various characters, including Hannya, Ebisu and Daikoku, each mounted on an ivory oval backplate, heights ranging from 6.2cm to 8.3cm.

Estimate: £150 - £250

Condition Report

All in generally good condition, one with small area of filing to what appears to be solder where something may have been attached. One of the ivory backs has a natural shrinkage crack to it, otherwise in sound order.
