

Furniture / Monday, 14th December 2020 / Lot 2215

LOT 2215

An early 20th century wooden work bench, height 86cm, length 201cm, depth 47cm.

Estimate: £80 - £120

Condition Report

2215. Solid and structurally sound, but there is an overall light scattering of old woodworm. One side of the bench is covered in a surface of dripped glue residue.
